8. Show items to customer

After login you'll see a screen like this.

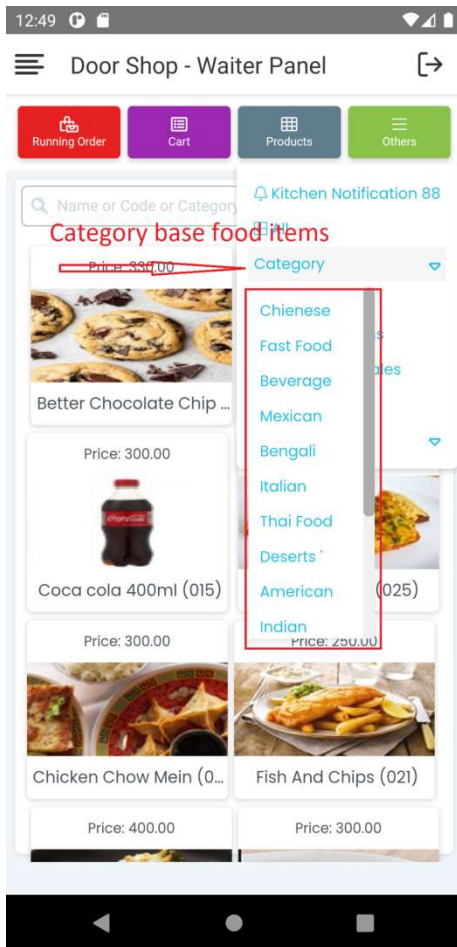

To show items to your customer you can do in these ways:

1. By searching

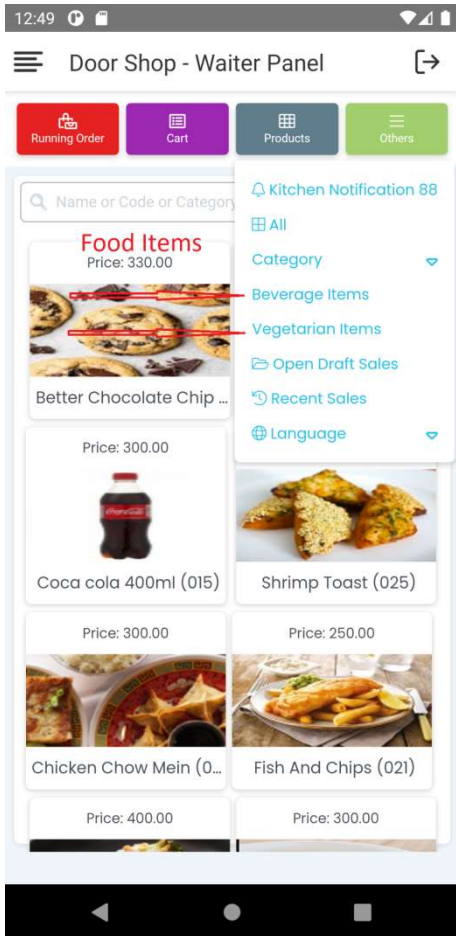

2. By Category

Please click on **Others** button you will see **Category** menu, please click on that you will see all categories. Click any category to show items of that category.

3. Vegetarian Items and Beverage Items

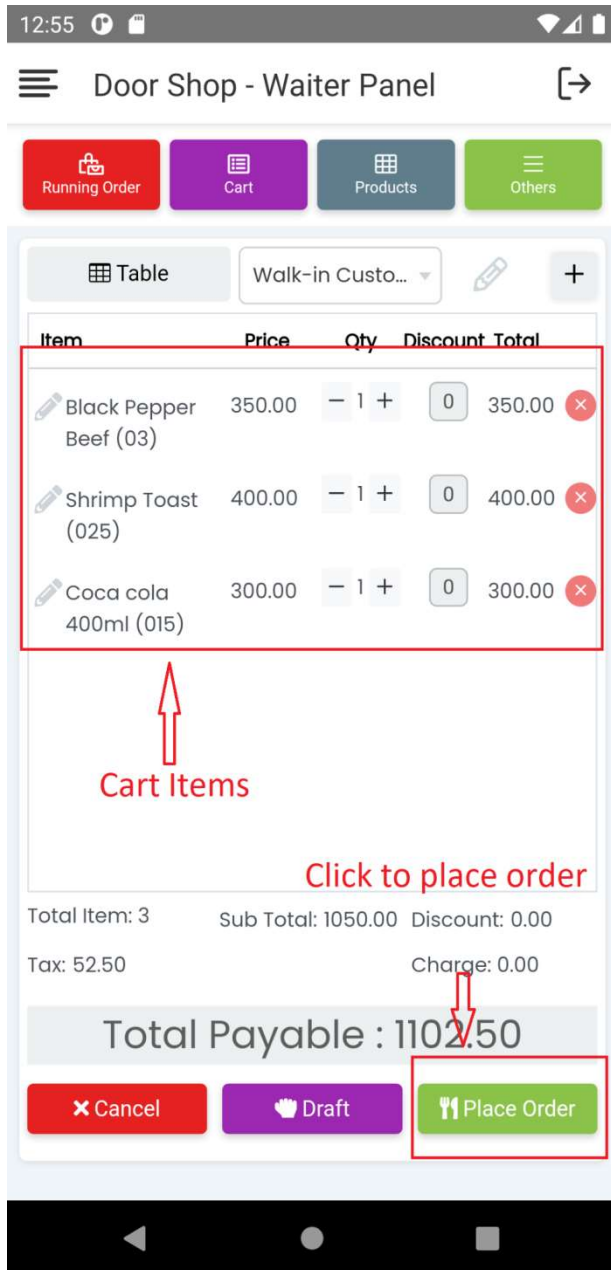

Please click on **Others** button you will see Beverage Items and Vegetarian Items. Click any of those buttons to show Beverage Items or Vegetarian Items to customer.

9. Place order

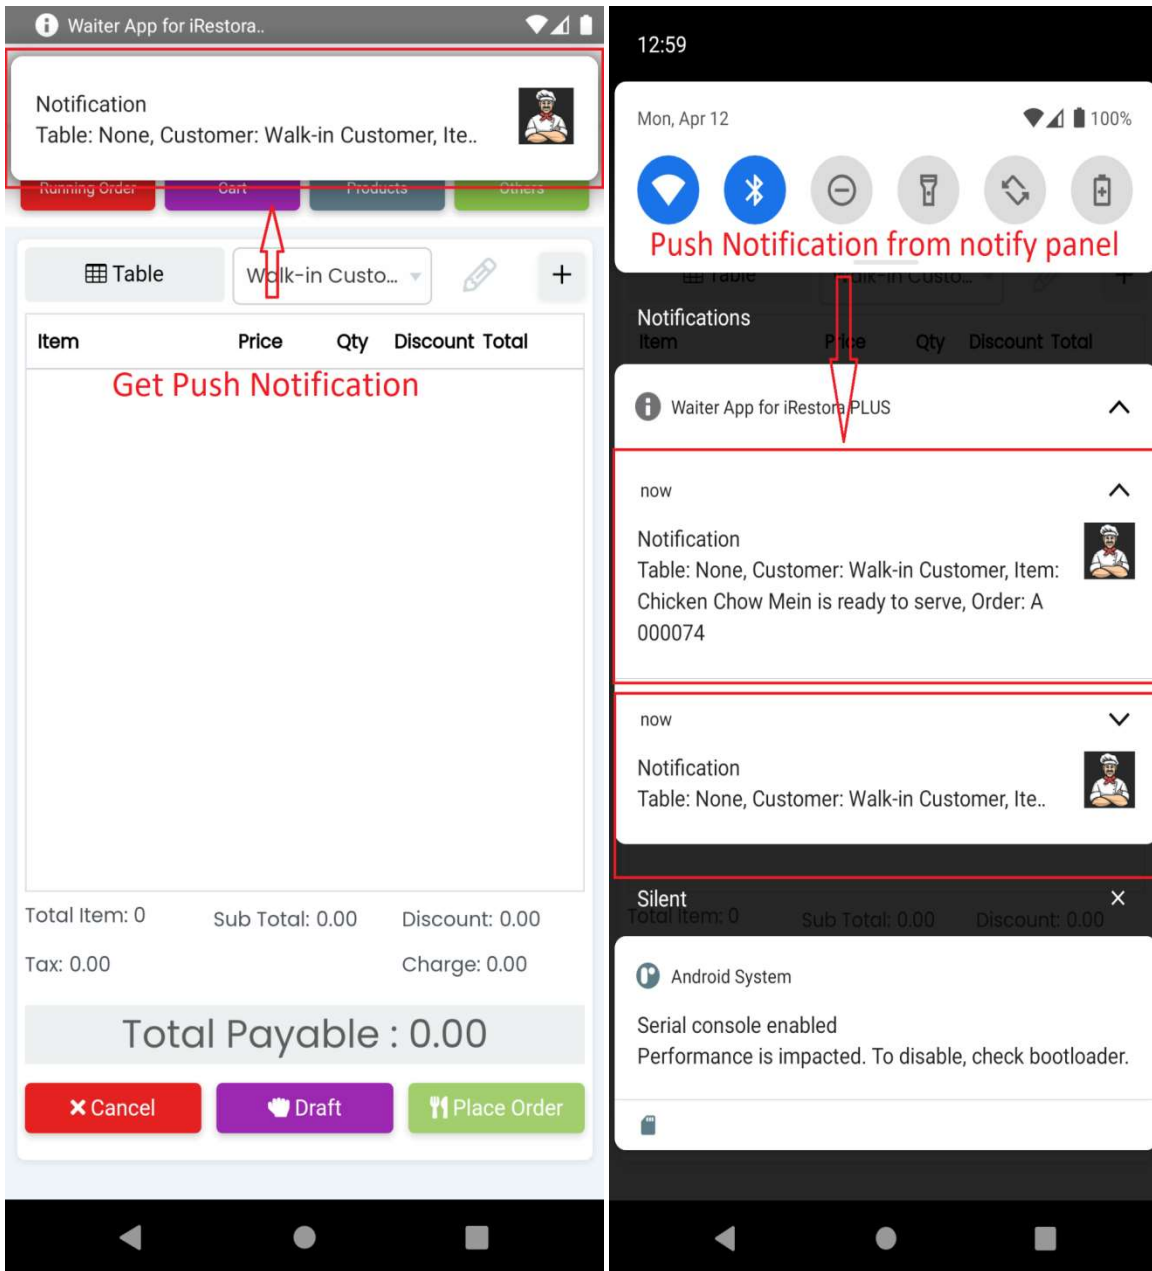

Please click an item to add to the cart, when you click an item that will be added to the cart, and you will see a notification at the top as well that the item is added to the cart.

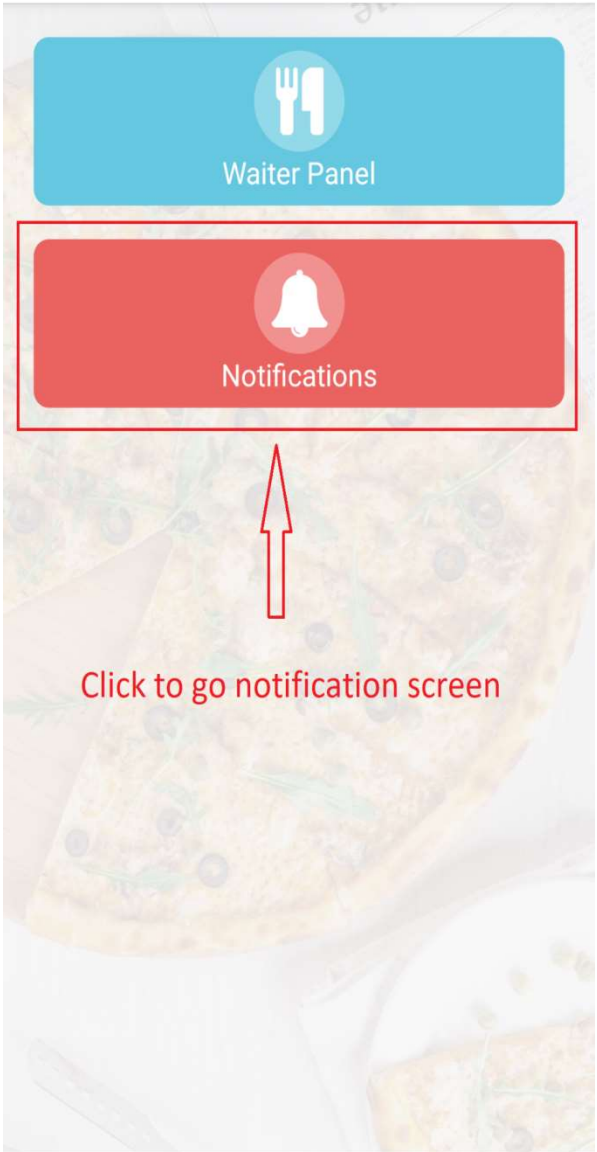

After selecting some items in the cart you will see those items in the cart by clicking on Cart button. Now please click on **Place Order** button at the bottom.

10. Get push notification when order is ready

When an item is ready in the kitchen panel, you will get a push notification. And if you want, you can see all your notifications by going to the notification page. Just follow the screenshot below.

Click to go notification screen

See all notification from notification screen

Table: None, Customer: Walk-in Customer, Item: Fish And Chips is ready to serve, Order: A 000074 [Collect](#)

Table: None, Customer: Walk-in Customer, Item: Chicken Chow Mein is ready to serve, Order: A 000074 [Collect](#)

Table: None, Customer: Walk-in Customer, Item: Better Chocolate Chip Cookies is ready to serve, Order: A 000074 [Collect](#)

Table: None, Customer: Walk-in Customer, Item: Black Pepper Beef is ready to serve, Order: A 000074 [Collect](#)

Table: None, Customer: Walk-in Customer, Item: Shrimp Toast is ready to serve, Order: A 000074 [Collect](#)

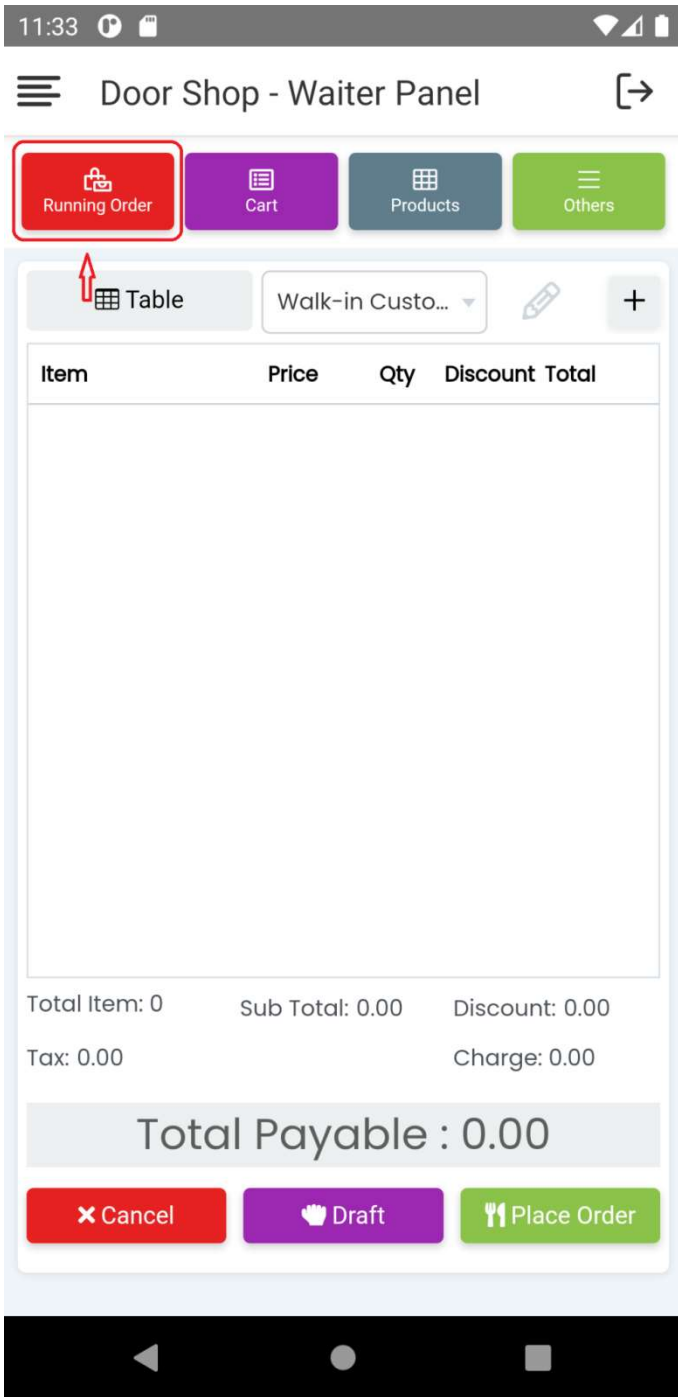

Table: None, Customer: Walk-in Customer, Item: Better Chocolate Chip Cookies is ready to serve, Order: A 000072 [Collect](#)

Customer: Walk-in Customer, Order

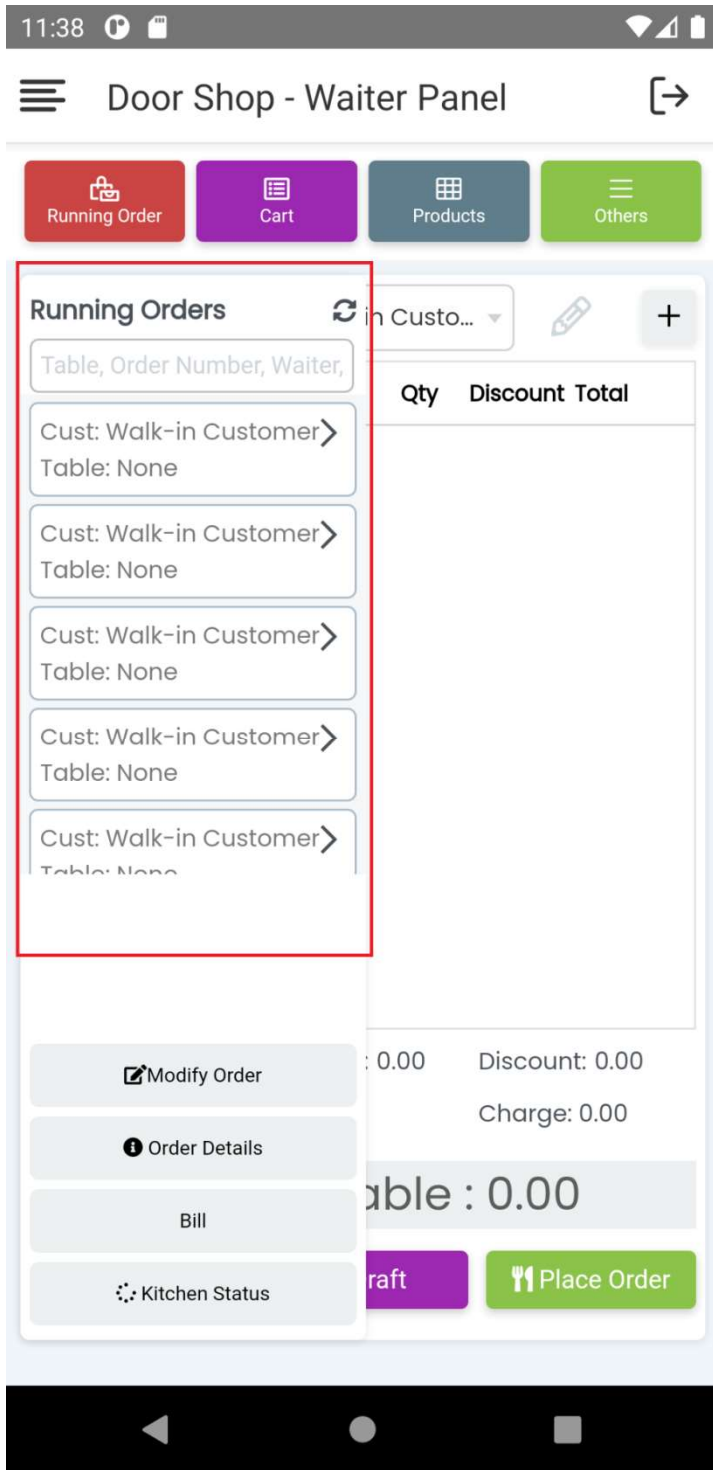

Remove 0 Item(s)

11. Add new item to order

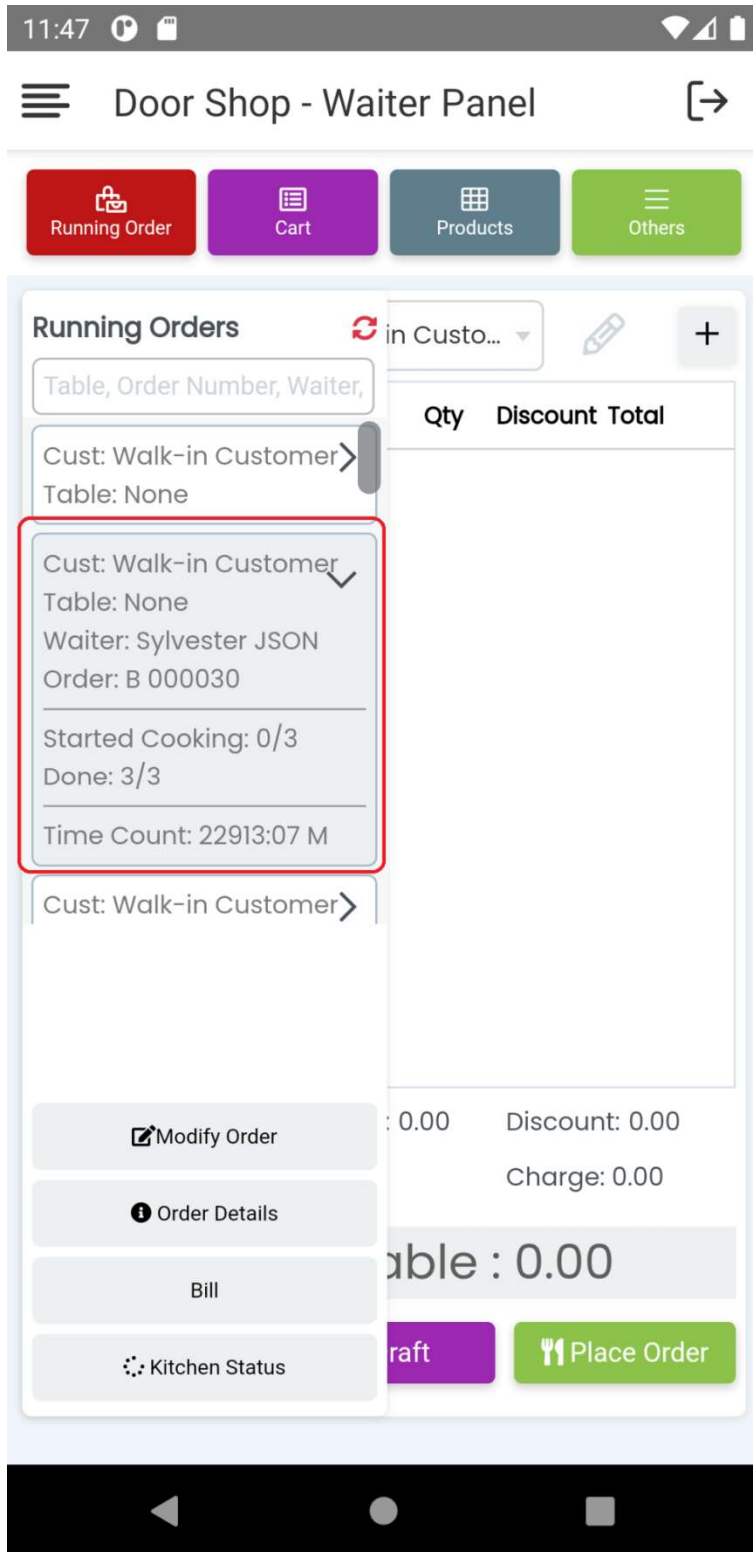

To add new items to an existing order you need to click on **Running Order** button.

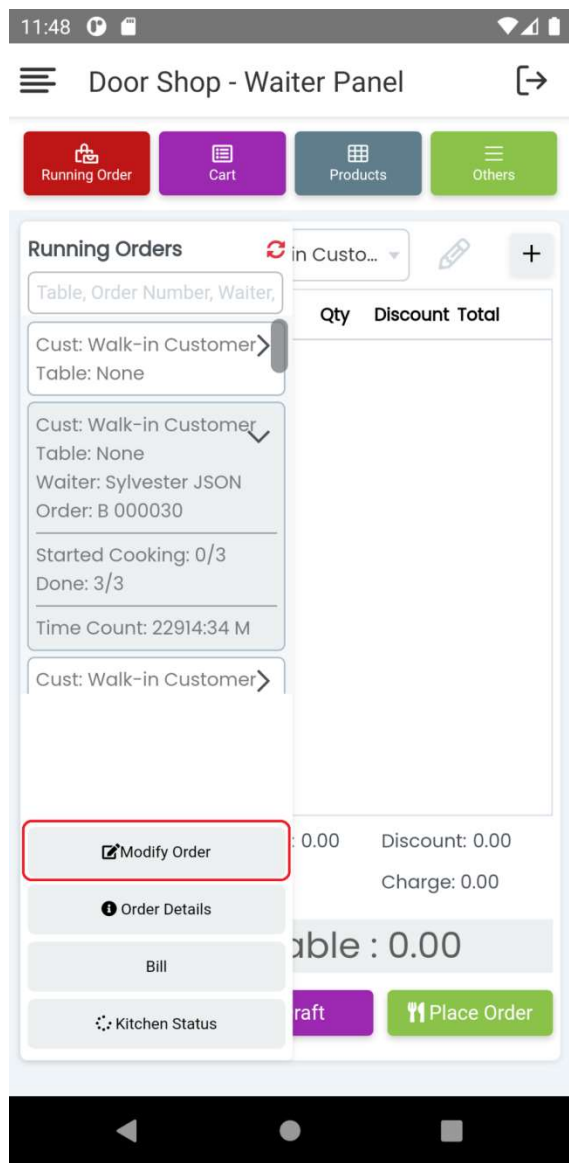

You will see all of your running orders:

Select an order from Running Order:

Then click on **Modify Order** button:

All items of that order will be shown in the cart:

11:51

Door Shop - Waiter Panel

Running Order Cart Products Others

Table Walk-in Custo... +

Item	Price	Qty	Discount	Total
Better Chocolate Chip Cookies (09)	330.00	1	0	330.00
Black Pepper Beef (03)	350.00	1	0	350.00
Fish And Chips (021)	250.00	1	0	250.00

Total Item: 3 Sub Total: 930.00 Discount: 0.00
Tax: 46.50 Charge: 0.00

Total Payable : 976.50

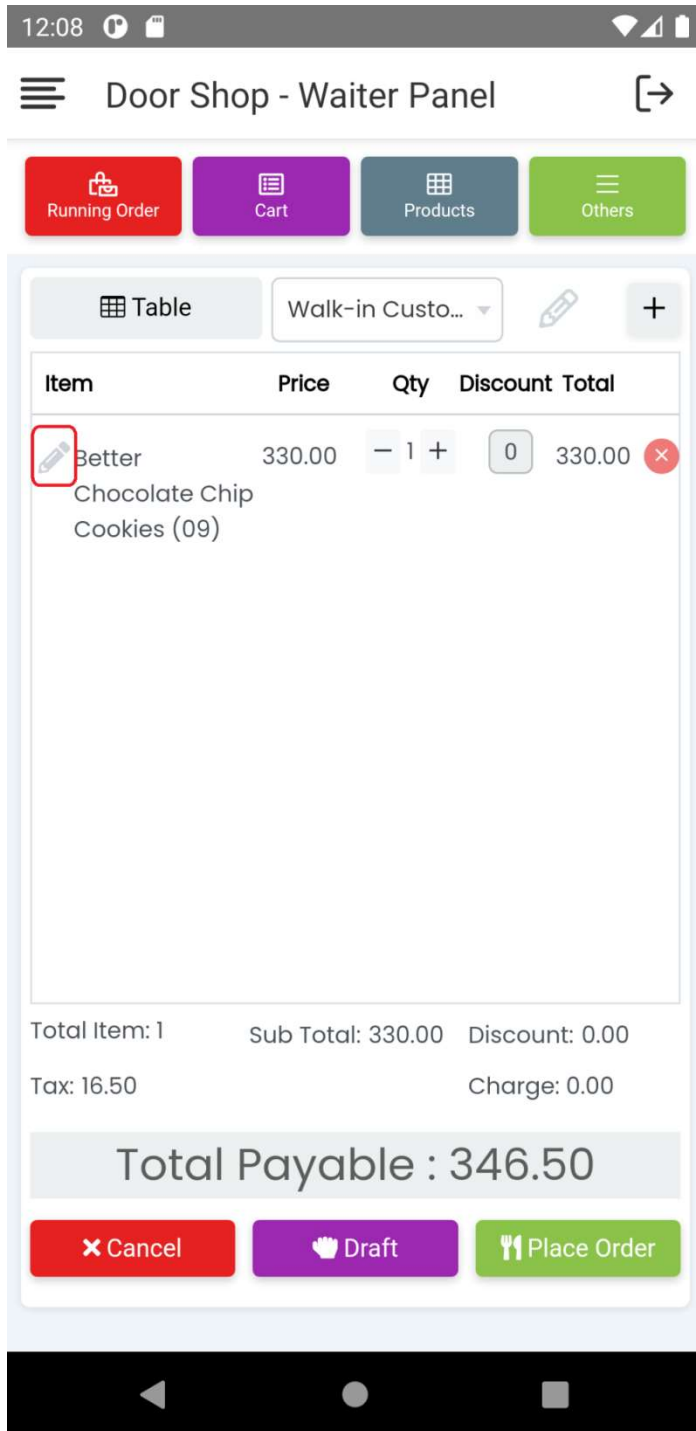

Cancel Draft Update Order

Now you can add any item to the same as before. *But note that you can not delete any item from the cart.*

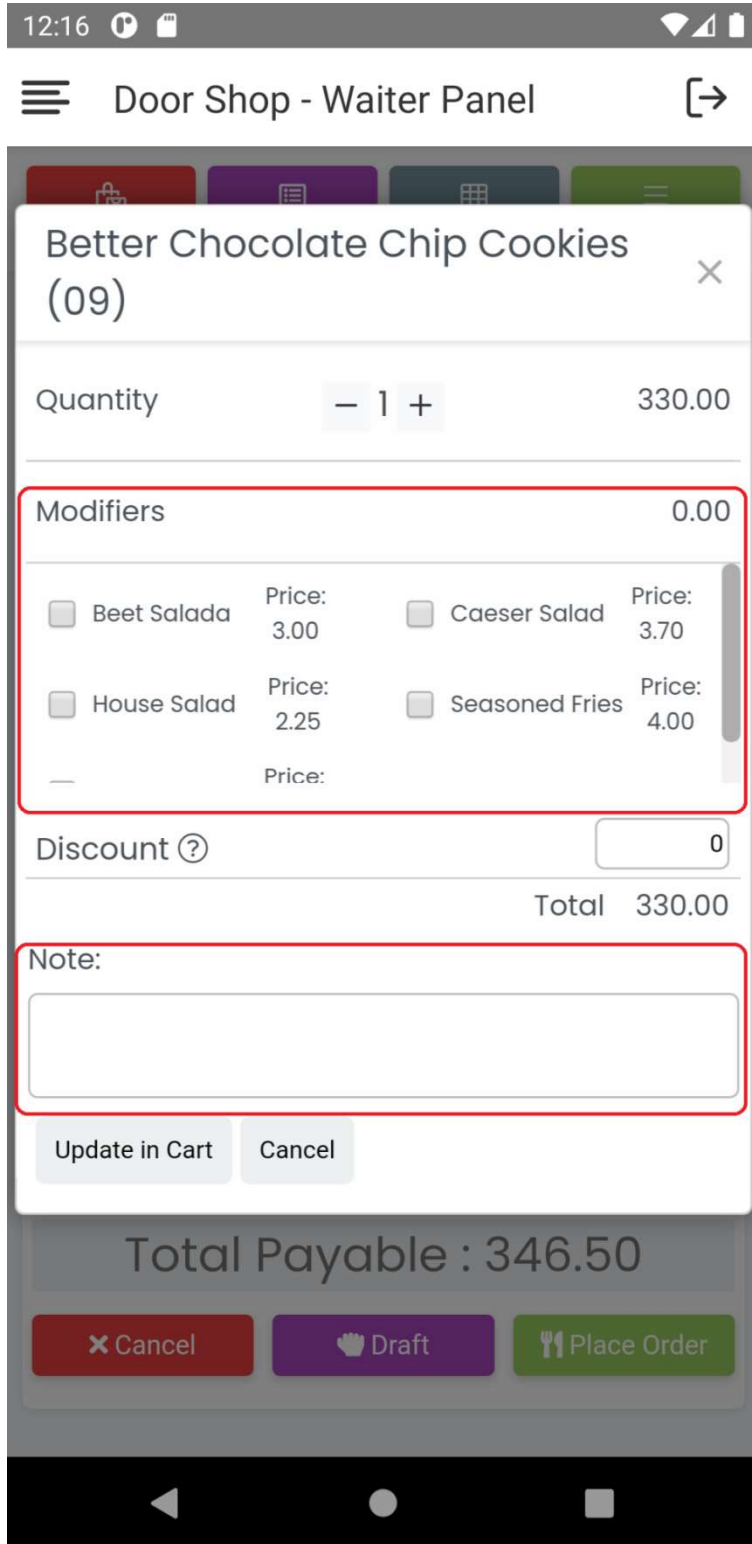

12. Add item to cart with modifiers and note, select table, select customer, add customer, Modify customer

Add item to cart with modifiers and note:

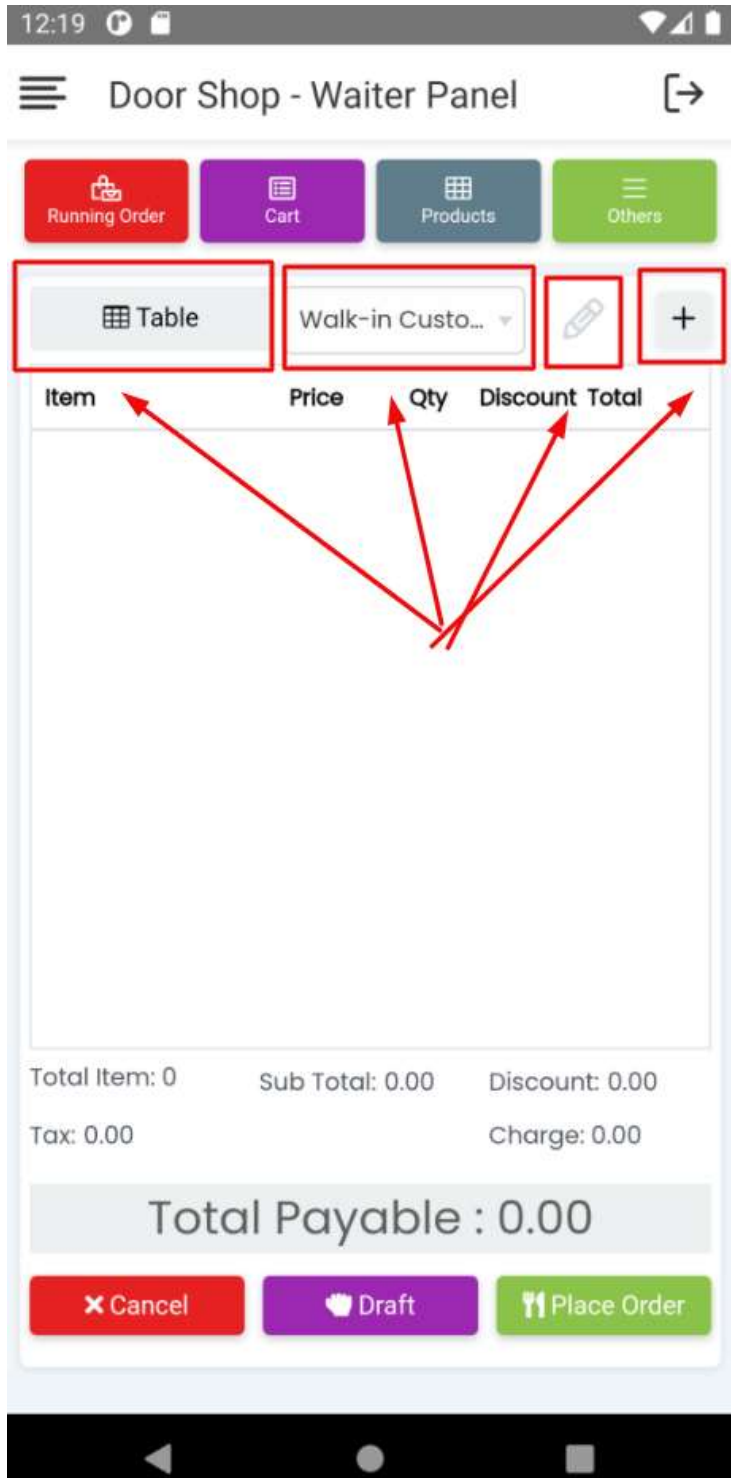

Please click on pencil icon after adding an item to cart

You can see all modifiers of the item where you can select any item modifier that customer asks or you can add an item preparation note as per customer requirement as well.

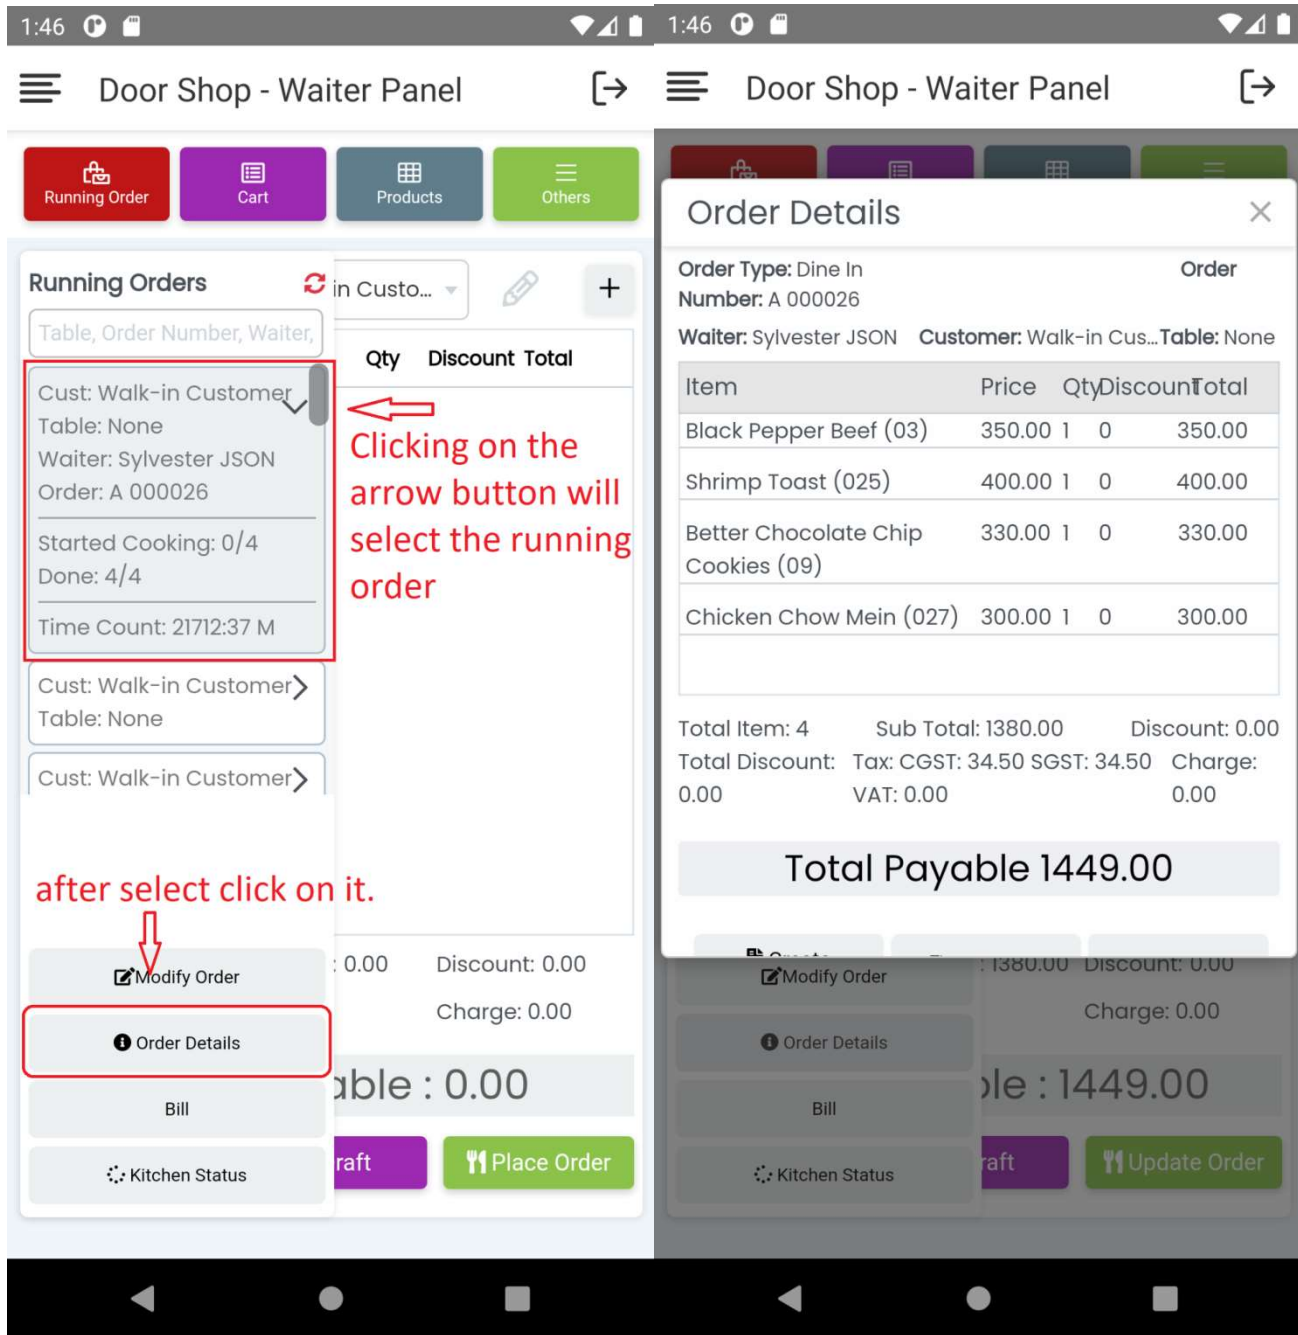

Select table, select customer, add customer, Modify customer

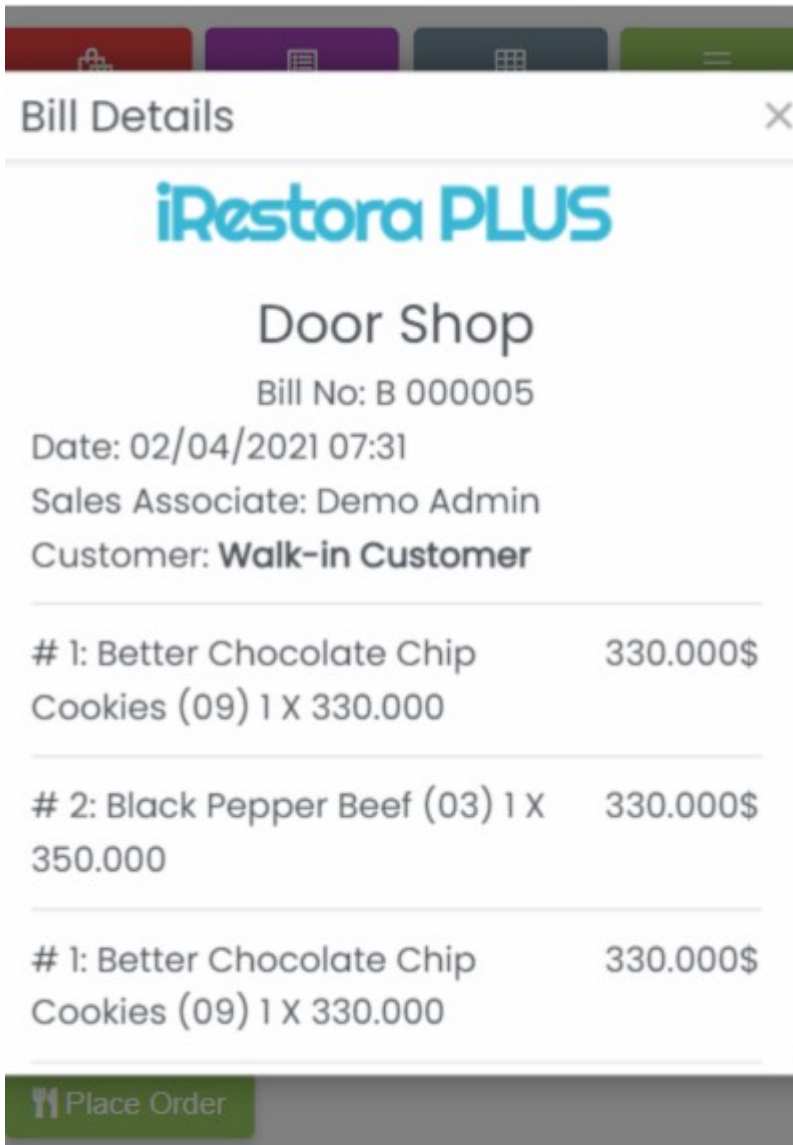

13. View an order details

First you need to select an order from **Running Order**. Then click the **Order Details** button after clicking open a modal then showing all order details in the modal.

14. Show Bill

Open the Running Order and select an order within running orders, then click on **Bill** button, it will show a modal so that you can show the customer how much he needs to pay.

The screenshot shows a mobile application interface for 'iRestora PLUS'. At the top, there is a navigation bar with icons for home, list, grid, and menu. Below this is a modal window titled 'Bill Details' with a close button (X) in the top right corner. The modal content includes the 'iRestora PLUS' logo, the store name 'Door Shop', and the following information: Bill No: B 000005, Date: 02/04/2021 07:31, Sales Associate: Demo Admin, and Customer: **Walk-in Customer**. The bill items are listed in three sections, each separated by a horizontal line. The first section shows '# 1: Better Chocolate Chip Cookies (09) 1 X 330.000' with a total of 330.000\$. The second section shows '# 2: Black Pepper Beef (03) 1 X 330.000' with a total of 350.000\$. The third section shows '# 1: Better Chocolate Chip Cookies (09) 1 X 330.000' with a total of 330.000\$. At the bottom of the modal, there is a green button with a fork and knife icon and the text 'Place Order'.
